Pain in Learning Mandarin

Expensive learning fee

Inconvenient Learning Center

Outdated teaching method

Lack of professional native teachers

Boring books and learning materials

Benefits

Better career and more business opportunity

No language boundaries to make friends with 20% people in the world

Opportunity to increase Salary and get better job / position

Very important for Travelling

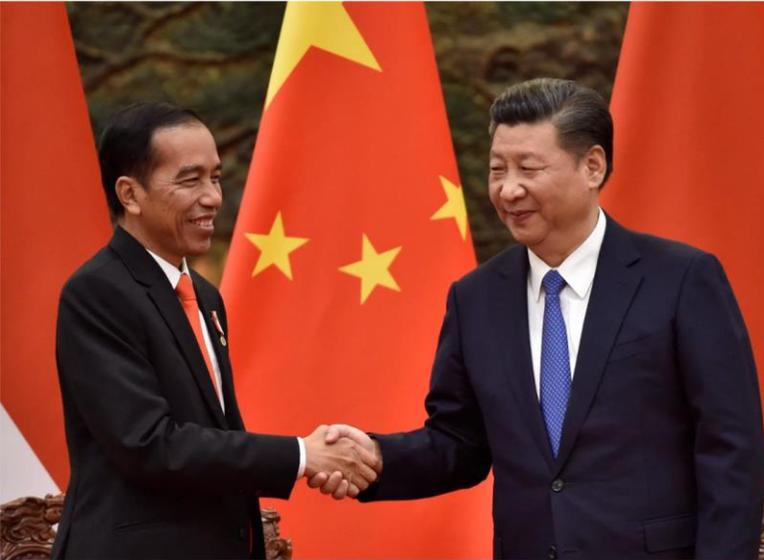

Enjoy learning Chinese culture

Why Learn Mandarin?

- China is the 2nd world largest economy
- Mandarin is the most widely spoken language in the world
- Made in China label is the most recognizable label in the world today
- One of the best tourism countries in the world

Indonesia X China

China is the **number one trading partner** for more than 120 countries and the main source of foreign tourists for Indonesia and for many other countries.

China becomes **Indonesia's Number 2 investor with infrastructure drive**

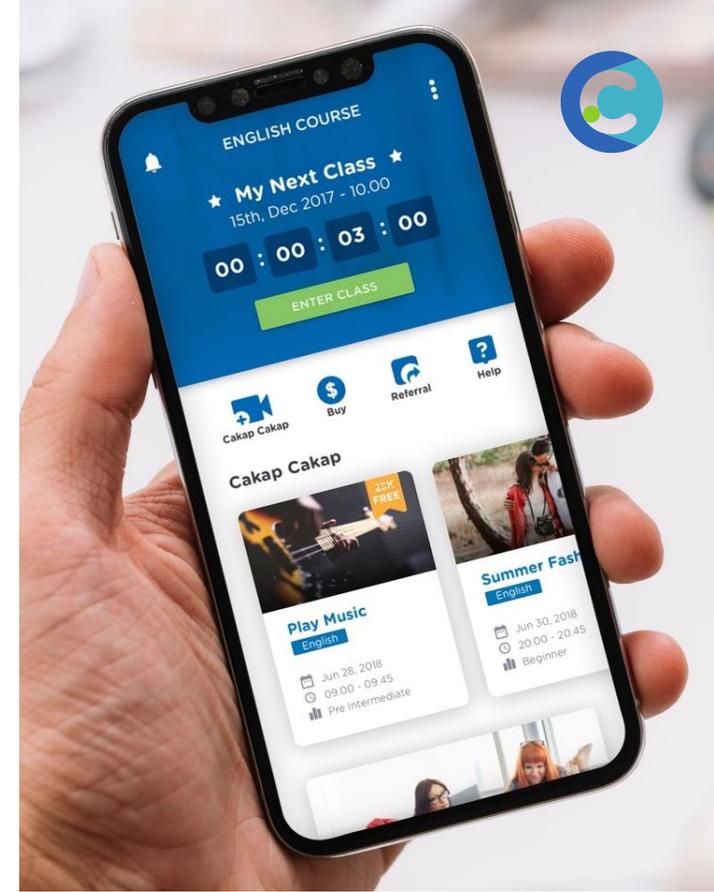

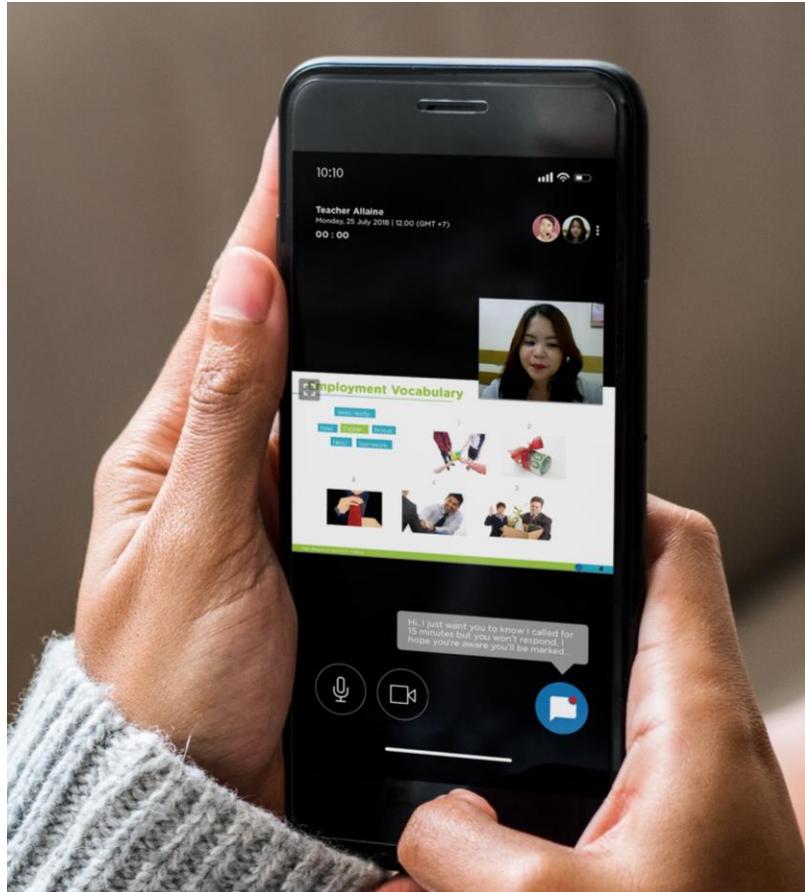

<http://www.thejakartapost.com/news/2018/05/02/chinese-investments-trending-in-indonesia.html>

Study opportunities:

- Continue to Bachelor or Master program
- Chance to get scholarship

Career opportunities:

- Forwarder & Trader
- Mandarin Teacher
- Teach English in school or learning center
- Work at China's Bank
- Work at Technology company
- Work at game company
- Work at Embassy
- Become translator

Who Are We?

CAKAP is a platform that enables a **2-way** learning interaction between the **student** and a **professional teacher** somewhere around the world to learn and improve their foreign language skills at their own terms, anywhere at anytime.
